

## Would you like to ease your training budget?

We can help you access funding support for workforce development.

The package can be worth between £600 and £1800

**Skills UK Ltd** will help you to assess your staff development requirements across a broad range of occupational areas. Training and having the right skills can release the potential of employees to ensure they make a real contribution to your business's success. Most vocational training is delivered in the work place, at a time and place to suit staff needs and those of the business.

**Fully funded training** encompasses NVQs at level 2 in most occupational areas and some level 3 funding including:

- ✔ **Customer Service**
- ✔ **Engineering**
- ✔ **Retail**
- ✔ **Distribution & Warehousing**
- ✔ **Leadership & Management**
- ✔ **Sport & Recreation**
- ✔ **Business Administration**
- ✔ **Information Communication technology**

NVQ's can make a major contribution to your business, by bringing out the best in your staff in ways that have an immediate, positive impact.
